**CUT**

Background (white)	A	36 - 2 3/8" squares
	B	32 - 2" squares
Outer Accent	C	10 - 2 3/8" squares
Outer Flower	D	18 - 2 3/8" squares
	E	12 - 2" squares
Inner Flower	F	6 - 2 3/8" squares
	G	4 - 2" squares
Inner Accent	H	2 - 2 3/8" squares
	I	1 - 2" square

**PIECE TOGETHER** – All seams are 1/4"

This mini is made with **72** – 2" half square triangles (HST's), and **49** – 2" squares. To make the HST's sew as follows:

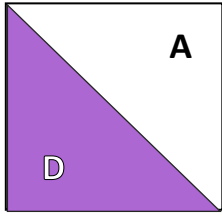

- Draw a diagonal line on wrong side of all fabric A squares.
- With right sides facing, layer a fabric A square with a Fabric C square.
- Stitch down 1/4" from each side of the drawn line.
- Cut apart on the drawn line. This makes **2** HST's. Each HST should measure 2".
- Sew 10, for a total of **20** A/C half square triangles.

*Make 20.*

\*\*\* \*\*

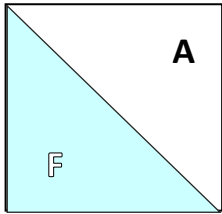

Repeat the steps above with **18** fabric A squares, and **18** fabric D squares for a total of **36** A/D HST's.

*Make 36.*

\*\*\* \*\*

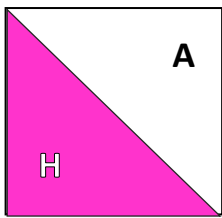

Repeat the steps above with **6** fabric A squares, and **6** fabric F squares for a total of **12** A/F HST's.

*Make 12.*

\*\*\* \*\*

Repeat the steps above with **2** fabric A squares, and **2** fabric H squares for a total of **4** A/H HST's.

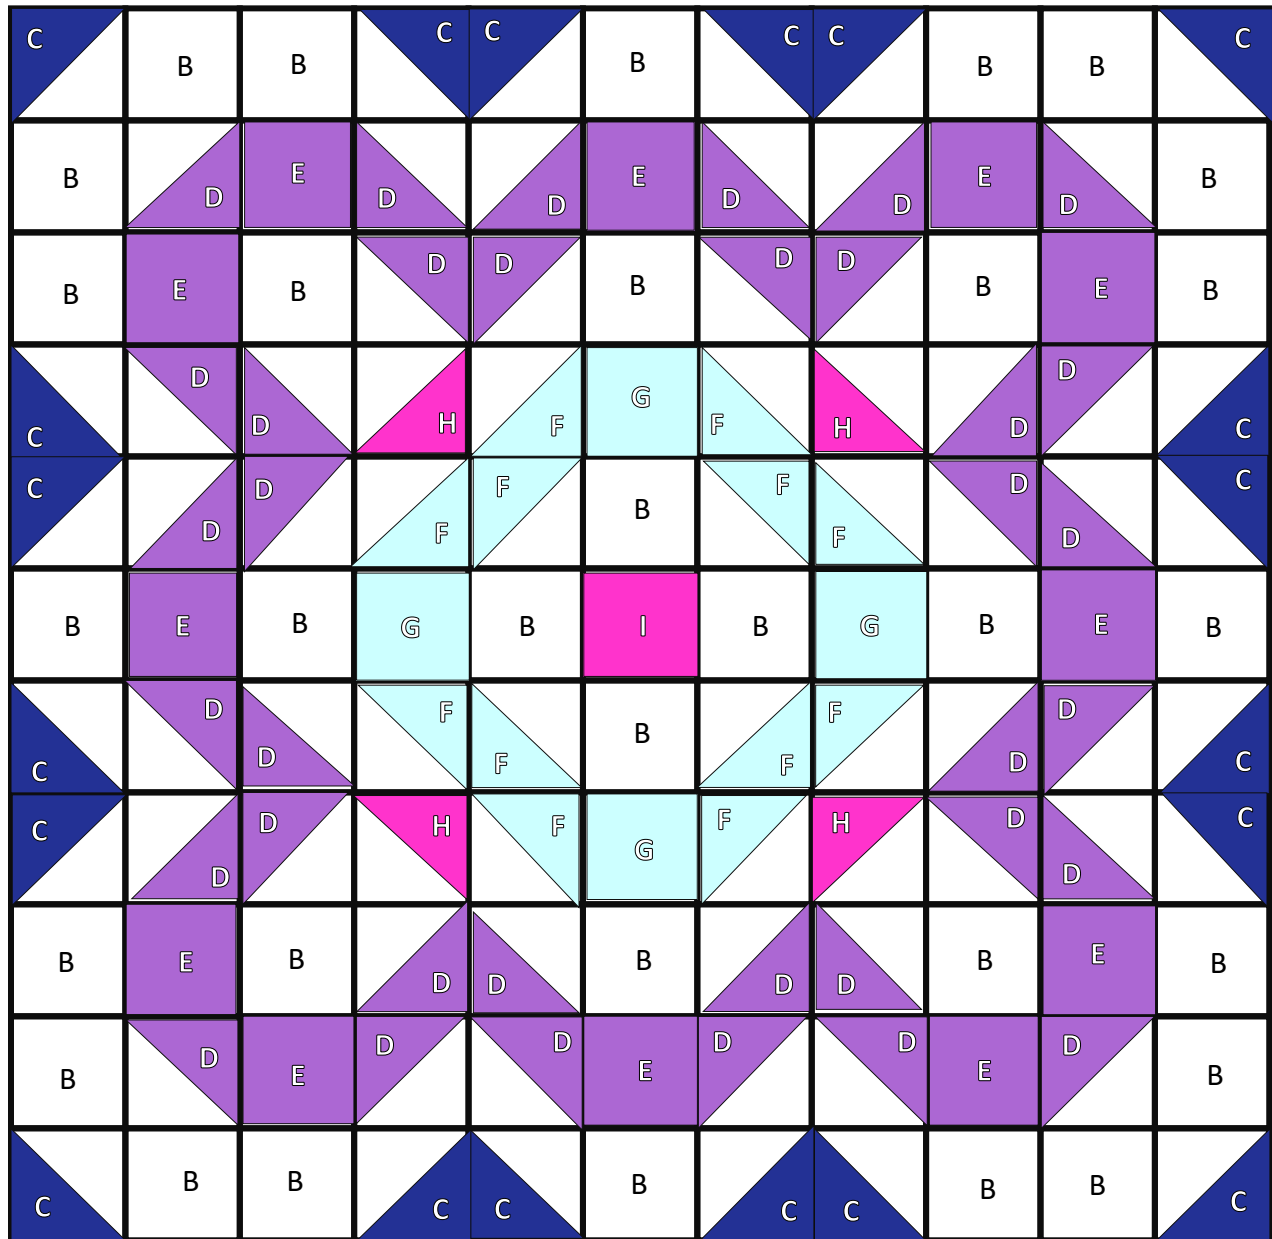

*Make 4.*

\*\*\* \*\*

You should now have a total of **121** - 2" squares. (**72** HST's and **49** fabric squares)

Use the following grid for the layout of each square.

Sew squares together by each row first, and then sew each row together.

Press all seams of a row in the same direction, alternating the direction from left to right with each row. This will help your seams to line up nice and snug when you sew the rows together.

Quilt top should measure 17" x 17". Quilt and bind as desired! Enjoy!

If you have any questions, feel free to e-mail me at [thefamilyhearthblog@gmail.com](mailto:thefamilyhearthblog@gmail.com),

I am happy to answer!
